Miss Mildred Thomson,
Division of Public Institutions,
Saint Paul, Minnesota

My Dear Miss Thomson:-

I will be very glad to have the group
selected by Dr Gray and you visit this insti-
tution whenever convenient.

As you may know, we assumed jurisdiction
of the defective delinquents with little pre-
paration and with no funds allocated for the
purpose and do not presume to know the proper
methods or procedure in caring for them. We
will therefor appreciate having the suggestions
or instructions from your group after you observe
the facilities available.

Very truly yours,
